A *New York Times* bestselling novel!

A “Galleycat Best Novel of 2010”

**“A clever young adult saga that leaves readers on the edge of their seats.”
– *The Associated Press***

**“Yet another young adult novel filled with supernatural beasties, but this teen wolf tale is actually good and will keep you reading intently.” –
*EntertainmentWeekly.com***

**“Although “Nightshade” is likely to be devoured by Twi-hards, there’s a lot more to enjoy about this new series debut from young adult author Andrea Cremer than weak-kneed romanticism and its similarities to the vampires-and-werewolves blockbuster. A fantastical mash-up of religious warriors and witch hunts, of feminist will and societal oppression, “Nightshade” is historical fiction — with a modern, pop culture twist... book for well-read hopeless romantics who like their heroines conflicted, their love interests smoldering and their passions triangulated and torrid, yet unfulfilled.” –
*The Los Angeles Times***

“Sexy and intoxicating, filled with action, suspense and definitely romance... you will be dying for more! A hit for fans of all things supernatural.” - *The Romantic Times*

“Intensely romantic... The strong and seriously hot main characters will drag you into a love triangle that will have you switching your choice for Calla back and forth between Ren and Shay as quickly as you turn the pages.” - *Justine Magazine*

Angst! Sexual tension! Werewolves! Andrea Cremer’s “Nightshade” has all the hallmarks of popular paranormal YA. - *Oklahoma Gazette*
